

10.

The spot opens inside some kind of elevator (the cannister). We are behind a "gladiator" (brown) and the elevator is moving upwards. Lights moving

V.O.: *The toughest gladiator...*

1 sec

10.

The doors slide open and bright sunlight shines. We see a sandy arena outside the elevator.

V.O.: *...is getting ready...*

1 sec

20.

Cut to outside the metal cannister. We see the "gladiator" step outside and the camera pulls backwards. We see other cannisters moving upwards and the arena walls in the back

V.O.: *...for the final round...*

1,5 sec

20.

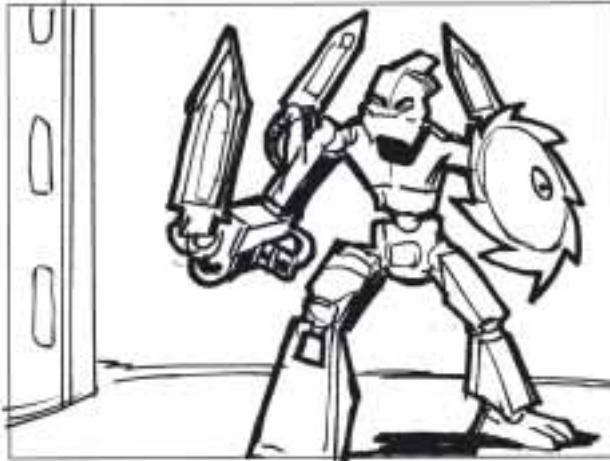

Suddenly another "gladiator" steps into frame. Dust rising

V.O.: *...but victory is never guaranteed*

1,5 sec

3D ends

Liveaction starts  
The Black Skrall poses...

V.O.: *meet the infamous black  
Skrall*

1 sec

40.

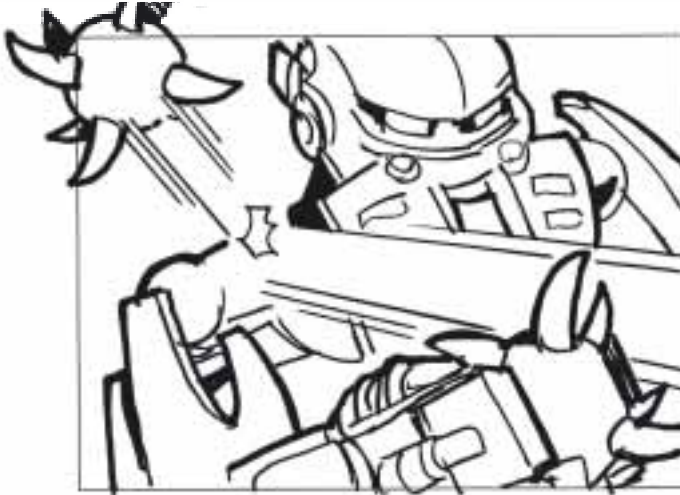

...and shoots.

V.O.: *ohh, the first shot*

0,5 sec

50.

The shot hits the brown gladiator

V.O.: *...there's a hit*

0,5 sec

60.

He loses a lifepoint.

V.O.: *...one down*

1 sec

70.

The brown fires back and...

V.O.: *Quick response*

1 sec

80.

...hits the Skrall

V.O.: *and baam*

0,5 sec

90.

Now he loses a point.

V.O.: *...equal*

1 sec

100.

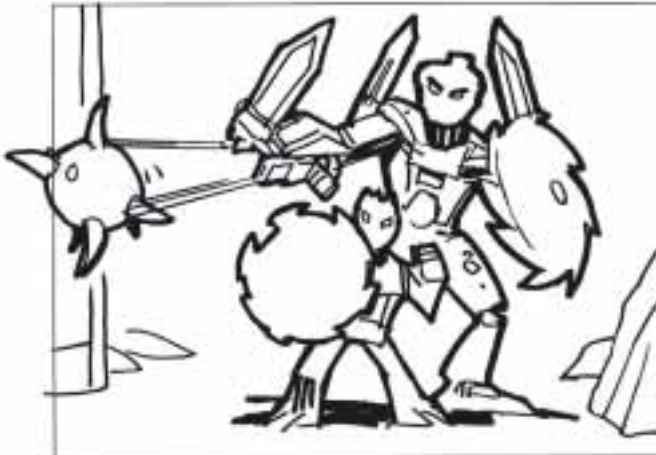

So now he has his "shielder" build in quickbuild

V.O.: *.time for defence*

2 sec

110.

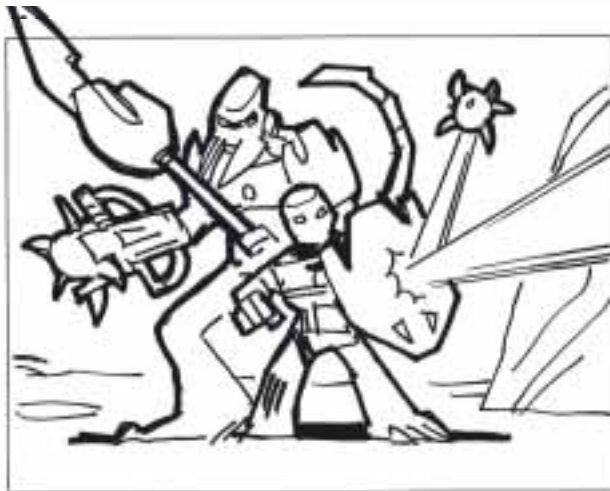

The Skrall fires from behind his "shielder"

1 sec

V.O.: *2 shields are better than one*

120.

But the brown gladiator also has a "shielder" who deflects the shot

1 sec

V.O.: *kapow*

130.

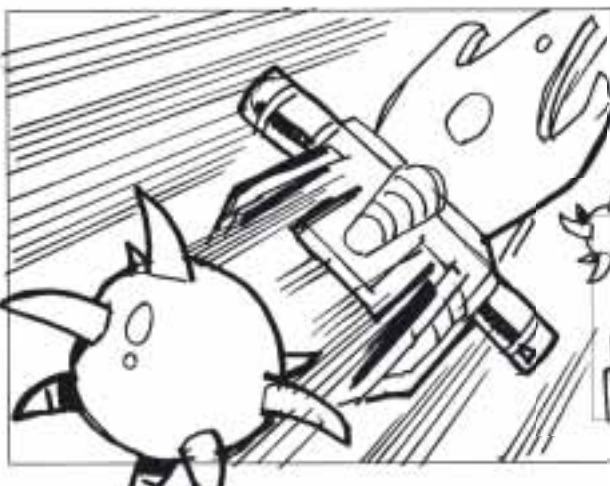

We see an overview shot of the standoff

1,5 sec

V.O.: *We have a stand off*

140.

What follows is a extremely fastcut handheld action montage. Shooting, characters being moved into position, hits and countdowns.

150.

The montage stops with a POW where the brown gladiator tries to spot the Skrall. The camera moves frantically from left to right.

V.O.: *Whoaa! where did he go*

1 sec

160.

The Skrall hides behind one of the canisters.

V.O.: *lurking in the shadow*

1 sec

160.

Behind him we see a rock sticking out of the ground.

V.O.: *but there is always...*

1 sec

170.

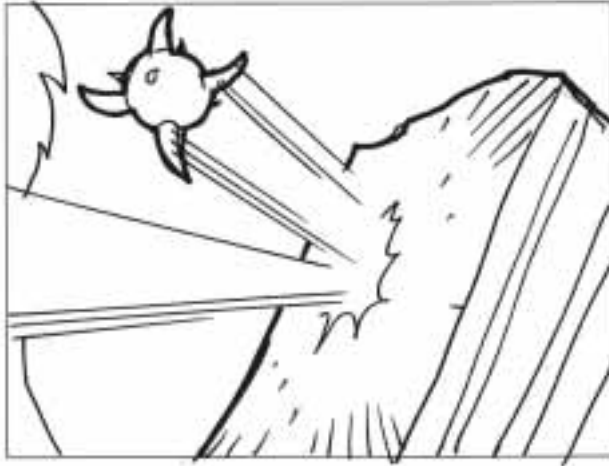

The brown gladiator shoots...

V.O.: *...a weak spot*

1 sec

180.

...and hits the rock. The shot bounces back...

V.O.: *Hey Skrall, watch your...*

0,5 sec

190.

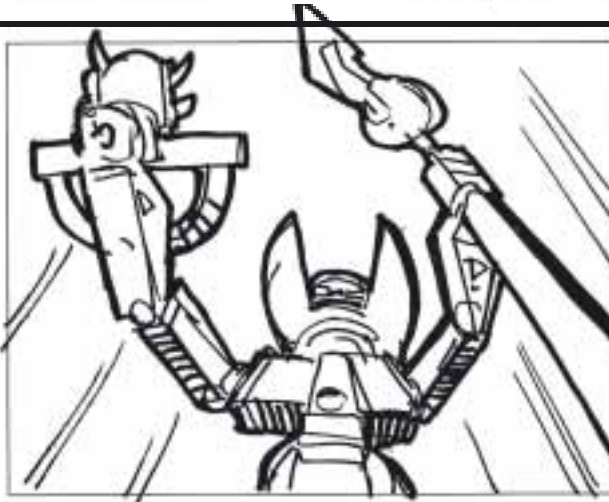

...hitting the black Skrall in the back

V.O.: *back!!*

0,5 sec

Liveaction ends

3D starts

In 3D we see the brown gladiator cheering with raised weapons.

V.O.: *Roouooooaaaa*

2 sec

200.

We zoom out to see the whole range of gladiators standing in a half circle.

V.O.: *So you are the toughest*

1,5 sec

200.

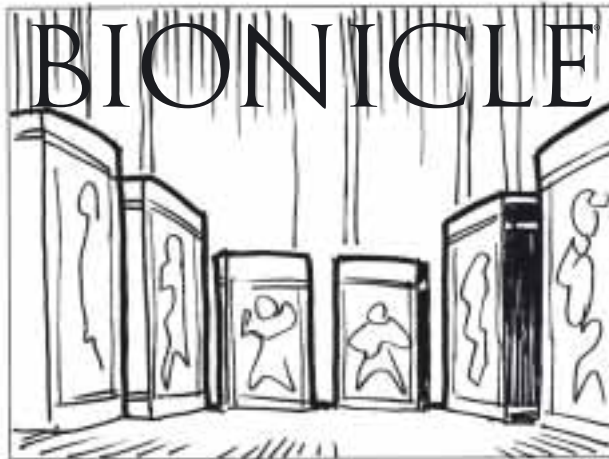

They all turn to face the camera as the logo comes on

V.O.: *For now...*

1,5 sec

3D ends
