1,5 SEC

We zoom in on a large canister with a burning fuse. The fuse burns down and...

2

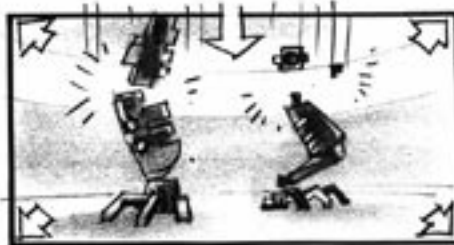

1,5 SEC

The canister takes off like a rocket. Two of the Piraka's feet and a piece of his lower right leg remains standing on the ground. There's a loud BOOM off screen.

3

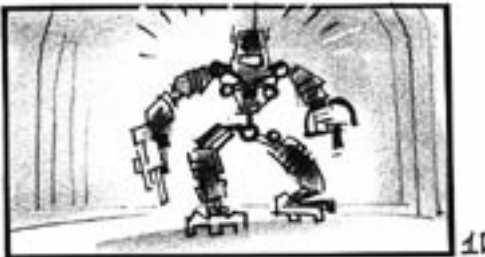

1,5 SEC

Different metal pieces fall from down from the sky, some of which attaches themselves to the Piraka's feet, assembling his body bit by bit.

4

1 SEC

The red Piraka, now fully assembled, comes to life and jumps towards the camera.

5

0,75 SEC

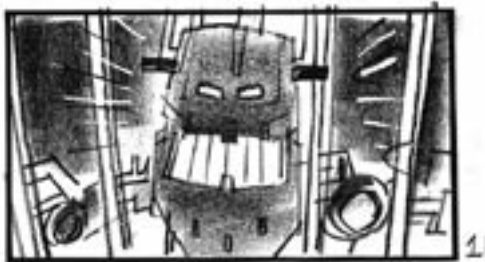

A rusty iron cage comes crashing down from above and...
